Wins 4 Awards in Supreme Court NMCC Cup XIX

ALSA (Asian Law Student Association) Faculty of Law, Diponegoro University, won four awards in the National Moot Court Competition (NMCC) Supreme Court's Trophy XIX 2016. The awards achieved by ALSA team were Best Public Prosecutor for Pool A, Best Legal Advisor in Pool A, Best Judges in Pool A, and the Best Registrar in Pool A. The event was held on 15-18 January, 2016 at the Faculty of Law, Gadjah Mada University (UGM).

NMCC Supreme Court's Trophy is a prestigious and the oldest in the history of the Moot competition in Indonesia. It has always been a magnet for competition participants as well as members of ALSA Indonesia, not only for the trophy of the Supreme Court of the Republic of Indonesia, but also as a valuable learning for future law enforcers to become agents of change in this country.

NMCC was first held in 1998 by ALSA LC Diponegoro University, Semarang. As the time goes, in 2004, ALSA Moot Court Competition (MCC) renamed to MCC Supreme Court's Trophy or commonly goes by MCC MA Trophy. In its implementation, MCC ALSA is held every year one time on each campus that became the Local Committee, (now Local Chapter) of ALSA Indonesia itself. The competition is usually held in February each year. In the past, the cases argued in MCC always focus on General Criminal Cases (the Criminal Code) but for the time being and following the trend, MCC began to adjust it to the Special Crime Cases.
